Get Full Course Syllabus

- **Name:** [Text Input]
- **Email:** [Email Input]
- **Contact Number:** [Number Input]
- **State:** [Dropdown]
- **City:** [Text Input]
- **Current Program:** (e.g., BA LLB, BBA, Professional)
- **Specialization:** (e.g., Corporate Law, Finance, Research)

3. Who Should Take This Course?

This course is strategically designed for:

- **Law Students:** To understand the financial regulations they will eventually litigate.
- **Young Professionals:** To manage their first salary, understand taxes, and avoid debt traps.
- **Entrepreneurs:** To grasp the transition from "Compliance" to "Competitiveness."
- **Researchers:** Interested in the intersection of Law (Lex) and Finance (Fin).

4. What's In It For You? (The Learning Journey)

We have broken down the curriculum into 6 Actionable Modules to ensure a logical transition from basic awareness to professional mastery.

Module 1: The Foundation (Household Economics)

- **The Basics:** Understand the nature of earnings, the difference between "Needs" and "Wants," and the impact of Inflation on your purchasing power.

- **The Mindset:** Develop a "Thrift" approach—understanding that every rupee saved is a rupee earned.

Module 2: Managing Your Finances (Personal Finance Skills)

- **The Skills:** Master budgeting, saving, and the mechanics of Debt Management.
- **Legal Metric:** Learn to calculate your Debt-to-Income (DTI) Ratio to ensure you stay within safe borrowing limits under RBI guidelines.

Module 3: Financial Planning (Goal Setting)

- **Strategic Growth:** Identify short-term, long-term, and retirement goals.
- **The Roadmap:** Learn the "Time Value of Money" and how to create a structured financial plan that aligns with life-cycle events and legal tax-saving instruments.

Module 4: Risk and Reward (The Safety Net)

- **Protection:** Dive into the types of Insurance (Life, Health, Property) and how to legally structure an Emergency Fund.
- **The Balance:** Learn the "Risk-Return Trade-off"—how to maximize rewards while maintaining a legal and financial shield against market volatility.

Module 5: The Financial Landscape (Markets & Rights)

- **The Ecosystem:** Explore dynamic financial markets and the regulatory frameworks of RBI, SEBI, and IRDAI.
- **The Shield:** Identify common Scams and Frauds (Ponzi schemes, Phishing) and master your Consumer Protection Rights under the 2019 Act.

Module 6: Capstone Project (The LexFin Strategy)

- **Application:** Put your knowledge to the test by creating a personal "Legal-Financial Blueprint."
- **The Outcome:** Use the LexFin Strategy to bridge the gap between financial growth and legal compliance, earning your professional certification.

Details -

Module 1: The Foundation (Household Economics & Legal Awareness)

Advanced Economic Understanding

- Types of income classification: earned, portfolio, and passive income
- Real vs nominal income (legal implications in taxation and wage structures)

- Inflation indexing in taxation and government securities

Legal Deepening

- Detailed study of heads of income under the Income Tax Act, 1961
- Residential status and its impact on global income taxation
- Legal compliance for first-time taxpayers (PAN linking, AIS/TIS review)

Financial Inclusion & Law

- Banking access under PMJDY (Jan Dhan Yojana)
- KYC/AML norms under Reserve Bank of India
- Legal safeguards for small depositors and zero-balance accounts

Practical Component

- Case study: Misclassification of income leading to tax penalties
- Activity: Identify taxable vs exempt income scenarios

Module 2: Managing Your Finances (Personal Finance & Compliance Skills)

Advanced Budgeting & Cash Flow

- Cash flow statements for individuals
- Behavioral finance biases affecting spending
- Digital financial tools and UPI ecosystem compliance

Debt & Legal Obligations

- Loan documentation: sanction letters, amortization schedules
- Legal consequences of default (SARFAESI Act overview)
- Credit score (CIBIL) and legal implications of poor credit history

Regulatory Compliance

- RBI guidelines on digital lending and recovery agents
- Fair Practices Code and grievance redressal

Dispute Resolution

- Filing complaints against banks/NBFCs through Ombudsman Scheme

- Legal recourse in harassment by recovery agents

Practical Component

- Draft a personal monthly budget with legal compliance checks
- Analyze a sample loan agreement

Module 3: Financial Planning (Goal Setting & Tax Efficiency)

Advanced Planning Tools

- Life-cycle financial planning (education, marriage, retirement)
- Inflation-adjusted goal setting
- Asset allocation strategies

Tax Planning (In-depth)

- Deductions: 80C, 80D, 80CCD (NPS), HRA, LTA
- Capital gains planning and tax harvesting
- Advance tax and TDS compliance

Wealth Transfer & Estate Planning

- Drafting of Wills and Codicils
- Nomination vs legal heir (critical distinction)
- Trusts and their legal structure

Legal Safeguards

- Avoidance of tax evasion penalties
- Clubbing of income provisions

Practical Component

- Create a goal-based financial plan
- Draft a basic will format

Module 4: Risk and Reward (Insurance, Liability & Legal Safeguards)

Advanced Insurance Literacy

- ULIPs vs Term Insurance (legal and financial comparison)
- Health insurance clauses: co-pay, waiting period, exclusions
- Motor insurance and third-party liability laws

Regulatory & Legal Framework

- Role and powers of Insurance Regulatory and Development Authority of India
- Insurance Act, 1938 (overview)
- IRDAI grievance redressal system

Risk Management Strategies

- Portfolio diversification (equity, debt, gold, real estate)
- Legal implications of speculative investments

Claims & Disputes

- Insurance claim rejection—legal remedies
- Ombudsman for insurance disputes

Practical Component

- Compare two insurance policies legally and financially
- Simulate an insurance claim filing

Module 5: The Financial Landscape (Markets, Regulation & Legal Rights)

Advanced Market Understanding

- Primary vs secondary markets
- IPO process and legal disclosures
- Mutual fund regulations and NAV calculation

Regulatory Deep Dive

- Functions and powers of:
 - Reserve Bank of India
 - Securities and Exchange Board of India
 - IRDAI

- SEBI regulations on insider trading and market manipulation

Cyber Law & Digital Finance

- Legal framework under Information Technology Act, 2000
- RBI guidelines on digital payments, UPI, wallets
- Data protection and privacy concerns

Fraud & Financial Crimes

- Ponzi schemes, pyramid schemes, chit fund scams
- Case laws on financial fraud
- Legal remedies: FIR, cyber cell, consumer courts

Investor Protection

- SEBI SCORES platform for complaints
- Rights of investors and disclosure norms

Practical Component

- Analyze a real-world scam case
- File a mock investor complaint

Module 6: Capstone Project (The LexFin Strategy – Legal-Financial Integration)

Comprehensive Application

- Develop a **holistic Legal-Financial Blueprint**:
 - Income & tax strategy
 - Budgeting & savings plan
 - Investment portfolio allocation
 - Insurance & risk coverage
 - Estate & succession planning

Compliance Audit

- Personal legal compliance checklist:
 - ITR filing

- GST basics (if applicable)
- Loan and credit compliance
- Insurance documentation
- Nomination & will

Professional Skills

- Legal drafting basics (agreements, declarations)
- Financial documentation and record-keeping
- Presentation of financial plans

Evaluation & Certification

- Viva + project presentation
- Real-life scenario-based assessment

Outcome

- Ability to integrate:
 - Financial decision-making
 - Legal compliance
 - Risk mitigation
 - Ethical financial behavior

Case Law Integration: Landmark judgments on banking fraud, insurance disputes, tax evasion

SUB TAB NAME 2- SUMMER SCHOOL PROGRAM

SGT offers an immersive Summer School Program designed to equip students with a comprehensive understanding of the Indian securities markets, along with strong industry exposure and practical skill development. This residential program, available in both 4-week and 7-week formats, seamlessly integrates classroom learning, lab sessions, industry visits, and expert interactions to deliver a holistic and engaging learning experience.

SGT with LexFin offers Summer School Program for Financial Literacy

Key Highlights

- **Comprehensive Financial Literacy:** SGT with LexFin offers in-depth exposure to financial literacy, covering personal finance, investment awareness, and the functioning of Indian financial markets.
- **Skill Development & Certification:** SGT with LexFin offers industry-relevant training with practical skill-building and certification opportunities to enhance career readiness.
- **Experiential Learning:** SGT with LexFin offers hands-on learning through simulation labs, financial tools, case studies, and real-world data analysis.
- **Institutional Exposure:** SGT with LexFin offers insights into key financial and regulatory institutions such as Securities and Exchange Board of India, Reserve Bank of India, and leading market infrastructure institutions.
- **Expert Interaction & Networking:** SGT with LexFin offers interactive sessions with industry experts, academicians, and finance professionals to build meaningful professional connections.

Why Join the Summer School Program?

- SGT with LexFin offers **practical financial knowledge essential for everyday decision-making**
- SGT with LexFin offers **hands-on exposure to financial tools and market practices**
- SGT with LexFin offers **interaction with experts and regulatory insights**
- SGT with LexFin offers **career-oriented learning with certification benefits**
- SGT with LexFin offers **a strong foundation for financial independence and professional growth**
